

We are seeking talented colleagues to support our research, evaluation, and technical assistance work in a dynamic, inclusive, and fast-paced environment.

SRI International (SRI) is a nonprofit, independent research institute with a mission to solve the world's most important problems in education, technology, health, security, and the environment. We partner with government, philanthropy, and industry to create world-changing solutions to make people healthier, safer and more productive.

SRI's Core Values

Collaboration: We are team players and committed partners. We help each other succeed by sharing knowledge, encouraging participation and working together to reach our full potential.

Belonging: We foster an inclusive working environment that values diverse identities, perspectives and experiences. We strive to create a space where all have a sense of belonging, respect and equitable opportunities for success.

Growth: We champion ongoing personal and professional development. Through continuous learning, we actively expand our knowledge base and skillsets, enabling us to develop and implement creative.

Innovation: We are curious and tenacious risk takers who are passionate about solving the toughest challenges. We develop solutions, create breakthroughs and evaluate impacts that make a tangible difference in people's lives and in our communities.

Integrity: We are authentic, responsible, ethical and trustworthy colleagues and partners. We hold our work to the highest standards and understand our actions can shape, influence and inspire others.

Benefits and Perks SRI Education Offers

We invest in and compensate our talented team well by offering:

- Competitive salaries, 403(b), ample paid time off, and generous family leave when needed.
- High-caliber, high-integrity colleagues who share your passion and commitment to a deeply meaningful mission.
- Opportunities to work on high-impact projects that can define the future of education.
- Comprehensive health and well-being benefits including medical, dental, vision, and life insurance.

What You Can Bring to SRI Education

We hire people from diverse backgrounds and experiences to make SRI Education stronger, actualize our mission, and impact the communities we serve. We are working to create a diverse team from different backgrounds, races, religions, genders, sexual orientations, ages, and experiences that is passionate about optimizing educational equity and outcomes for all children, youth, families, and educators.
